Job description

We are seeking a Lead Programme Facilitator to join the Strengthening Minds delivery and support team, initially across the Co-op Academy Trust. The successful candidate will be responsible for the outstanding delivery of emotional wellbeing programmes across selected Co-op Academies in Leeds and Manchester areas.

The successful candidate will lead on engaging and recruiting other interested schools and academies across Leeds and Manchester areas to facilitate and develop the Strengthening Minds programme.

Requirements

The successful applicant will be a champion for the Strengthening Minds programmes, ensuring schools involved with the programmes are kept fully informed and updated with our continued efforts to provide the very best emotional support.

You will ensure all students participating in the programmes will be given appropriate care, guidance and support in line with their individual needs. You will ensure the highest levels of confidentiality, whilst communicating information and will keep up to date with and adhere to all relevant legislation and policies.

The ideal candidate will relate well to young people, collaborate effectively with Headteachers, Senior and all other staff, demonstrating outstanding ability to work constructively as part of a team.
